

PE Governer's Report 2015-2016

During this academic year, 2015-2016 I have strived to continue to deliver high quality Physical Education across KS1 & 2 and to increase physical educational sustainability at Stephenson Memorial Primary School. I hope that my efforts will help the pupils to develop not only their physical literacy skills but lifelong learning skills, such as teamwork, communication, collaboration, emotional and social well-being.

The new curriculum map which I introduced during the last academic year has proven to give all pupils the opportunities to access many activities; ensuring inclusion and diversity. I believe that the new PE curriculum has enabled the pupils to not only develop their lifelong learning skills and begin to achieve physical literacy but it also enhancing the pupil cognitive skills. I am beginning to see pupil's teamwork, communication and resilience skills developing through their PE lessons particularly during small sided games and intra-house competitions.

Through the delivery of engaging and fun lessons I hope to develop their knowledge and understanding in the importance of an active healthy lifestyle while giving them the opportunity to perform in competitive situations through intra-school and house competitions. The PE extra-curricular programme enables all pupils to access regular club participation in many activities giving opportunities to develop sport specific skills.

The teaching and learning in PE is an area I have focused on developing this year. I am working with staff to increase confidence and competence in using a variety of teaching and learning styles.

Below are listed the strategies I have put into place since September 2015 to achieve impact and sustainability:

- Continued delivery of high quality PE to enable every pupil to gain the confidence to achieve new skills and develop a variety of roles within PE.
- Diverse PE curriculum to achieve sporting success and experience new activities.
- To continue to increase engagement in PE for all pupils.
- Development of pupil's physical literacy.
- Development of knowledge and understanding encouraging pupils to lead active healthy lifestyle.
- CDP for staff in Change for Life training to deliver C4L after school club for EYS.
- Introduced daily break time activity bursts across the school lead by the Sports Crew.
- Continued development of positive sporting values through PE curriculum.
- Embedded participation in competitive sport through intra-school competition and inter-school competitions throughout the academic year 2015-16
- Continued to increase sporting success in competitive sport.
- Increase opportunities to participate in local sporting festivals and competitions across all year groups.

- Increase inclusive opportunities for sporting clubs: Breakfast / afterschool sports clubs and sports leader's lunchtime clubs.
- Development of opportunities for participation in informal lunchtime activities lead by the Health and Wellbeing Team / Sports Crew.
- Increase opportunities for all pupils to participate in a broad range of sporting clubs.
- Continue to Increase numbers participating in extra-curricular clubs.
- Increase opportunities for target group pupils to engage in C4L clubs/ Sports Leader lunchtime activities.
- Increased links with local clubs: Rugby, Cricket, Basketball, Dance via delivery of extra-curricular clubs.
- Delivery of community programmes during curriculum time through local club coaches.
- Specific development in Staff CPD via audit and links with secondary PE link teacher.
- Staff PE development time to assist in joint planning and delivery.
- NQT PE development through lesson delivery.
- Continuous development of staff PE resources in increase staff knowledge & confidence in planning and delivery.
- Continuing to Increase the profile of PE in school via social media.
- Continually developing Cross curricular links via PBL.
- Developing Student Voice and Sports Crew (Sports Leaders/ Sports Captains) giving opportunity for pupils to participate, lead and organise.
- Continually developing School website and parent links.
- Developing community links- Active Northumberland / The Parks/ Hadrian Leisure.
- Award of GOLD Sainsburys School Games.

Vision for 2016-2017

- Continue to develop staff confidence and knowledge and understanding in their planning and delivery of PE.
- Develop opportunity further for G&T pupils and provide an increased level of competition to continue to develop their performance levels.
- Continue to develop further inter-school competition/matches with Family Schools for G&T pupils.
- Continue to develop festivals for all key stages.
- Further develop Assessment Criteria for new National Curriculum.
- Further develop informal lunchtime activities with Sports Crew leading.
- Work closely with the Health and well being Team to develop and target Healthy Lifestyles.
- Introduce lunchtime and after-school clubs for target groups.
- Develop intra-school house competitions half-termly with Sports Crew involvement
- Continue to develop new links with local clubs to increase pupil involvement.
- Develop cross-curricular links with literacy, numeracy and STEM.
- Continue to develop new paths links with PBL.

- Continue to develop pupil success in Level One and Two in Sainsbury's School Games.
- Further develop KS2 links with CCC for Year 6 transition.

I have found my second year at Stephenson Memorial rewarding as I have continued to see both pupils and staff respond to my initiatives and suggestions in a positive manner. I continue to enjoy the opportunities that this new role has given me and I look forward to seeing the impact that my vision will have on the PE at Stephenson Memorial Primary School.
